These rules set out the conditions for participating in the giveaway organized on Instagram by Cover Styl. They are available via a link in the biography of Cover Styl's official Instagram account.

Participation in the giveaway implies full and unconditional acceptance of these rules.

Article 1 – Organizer

The giveaway is organized by Cover Styl, via the official Instagram account @coverstyl, whose registered office is located at 18 Rue du Commerce, 3895 Foetz Mondercange, hereinafter referred to as “Cover Styl” or the “Organizer”.

Article 2 – Purpose of the giveaway

The purpose of the giveaway is to enable one participant to benefit from the completion of a furniture renovation or customization project using Cover Styl products, under the conditions set out in these rules.

Article 3 – Duration and geographical area

The giveaway is open from 1 December 2026 to 21 December 2026 inclusive, subject to compliance with the entry requirements set out in these rules.

It is open to persons residing in Europe, subject to the legal restrictions applicable in their country of residence.

The draw will take place on the morning of 21 December 2026, and the winner will be announced on 21 December 2026 via Cover Styl’s official Instagram account.

Article 4 – Participation requirements

Participation is open to any adult individual residing in Europe, who has an active Instagram account and complies with the requirements stated in the giveaway post.

For an entry to be taken into account, it must be complete, legible, submitted during the giveaway period, and comply with all the conditions mentioned in the Instagram post and in these rules.

Article 5 – How to enter

To enter, candidates must follow the instructions stated in the post dedicated to the giveaway on Cover Styl’s official Instagram account. These instructions may include, in particular, following the account, liking the post, commenting on it, and presenting the proposed project, in accordance with the procedures specified in the post.

Any incomplete entry, entry containing incorrect information, received after the deadline, or not complying with the giveaway requirements may be invalidated.

Article 6 – Selection and notification of the winner

The winner will be selected by draw from among the valid entries on the morning of 21 December 2026.

The winner will be contacted by private message via Cover Styl's official Instagram account. They must reply within 24 hours of the message being sent.

If no reply is received within this period, or if the reply does not allow verification of compliance with the participation requirements, Cover Styl may select a new winner according to the same procedure.

The winner's name or Instagram account may be disclosed in the post or story announcing the result, subject to compliance with the applicable rules on the protection of personal data.

Article 7 – Prize description

The winner will benefit from the completion of a Cover Styl project, according to the characteristics, surface area, and product references validated with Cover Styl before installation.

The prize is personal, non-transferable, and may not be exchanged for its cash value or for any other benefit, unless Cover Styl decides otherwise.

The choice of product references, colors, textures, and finishes depends on their availability when the project is validated. Cover Styl may not be held liable for the unavailability of a reference presented during the giveaway.

Article 8 – Technical validation and completion of the project

Completion of the project is subject to prior technical validation by Cover Styl. This validation will take place before any installation and may require the exchange of information, photographs, measurements, or any other material useful for assessing the project.

Cover Styl reserves the right to invalidate an entry if the proposed project does not comply with the giveaway requirements or is not technically feasible. This decision may be taken without Cover Styl being required to provide detailed reasons.

If the initial project is not technically feasible, Cover Styl may propose another surface, another area of the furniture, or an adaptation of the project, subject to the winner's agreement and technical feasibility.

Technical validation does not constitute a guarantee that the project initially envisioned by the participant will be completed. The final project will be defined by mutual agreement with Cover Styl, within the limits of the prize and the applicable technical constraints.

Preparation, repair, restoration, dismantling, reassembly, moving, or transportation of the furniture are not included in the prize, unless Cover Styl agrees otherwise in writing.

Article 9 – Use of project images

With the winner's prior consent, Cover Styl may take or receive photographs and videos of the completed project, including "before/after" images, and use them for communication purposes, presenting its completed projects, and promoting its products and services.

The winner guarantees that they have obtained the necessary authorizations concerning any persons, property, or items that may be visible in the photographs or videos provided to Cover Styl.

Article 10 – Acceptance and amendment of the rules

Any participation in the giveaway implies full and unconditional acceptance of these rules. The rules are available via the link accessible in the biography of Cover Styl's official Instagram account.

Cover Styl reserves the right to modify, extend, shorten, suspend, or cancel the giveaway in the event of force majeure, circumstances beyond its control, or any difficulty affecting its proper conduct, without incurring liability on that account.

Any amendment will be announced by the means Cover Styl deems appropriate, including via the official Instagram account.
